

INVACARE®  
**ProSPIN™ X4™**  
WHEELCHAIR

The **Invacare® ProSPIN™ X4™ Wheelchair** takes the look, feel and performance of a folding wheelchair into the new century. From any angle, the ProSPIN X4 Wheelchair appeals to the visual sense like no other wheelchair.

## Features

The unique side frame and axle plate design merge aesthetics and performance. The ProSPIN X4 Wheelchair side frame minimizes both welded and bolt-on connections, strengthening the frame and lessening the amount of propulsion energy lost through flex and vibration

The curved axle plate completes the flowing side view, making the ProSPIN X4 Wheelchair more like a work of art than a wheelchair

Fixed front frame version w/ locking flip-up footplate  
Heavy-Duty package up to 350 lb.

Designed from scratch elevating leg rests

Amputee axle plate option

Bold black and silver anodized accent package

## HCPCS Code: K0005

1. Center-of-gravity adjustment
2. Curved handle wheel lock
3. Head tube
4. Swing-in/swing-out front riggings
5. Elevating legrest option
6. Transport Ready Option (TRRO)\*

\*TRRO includes four factory-installed brackets and wheelchair anchored pelvic belt. TRRO has been crash-tested in accordance with ANSI/RESNA WC Vol 1. As of this date, the Department of Transportation has not approved any tie-down systems for transportation of a user while in a wheelchair, in a moving vehicle of any type. It is Invacare's position that users of wheelchairs should be transferred into appropriate seating in vehicles for transportation and use be made of the restraints available by the auto industry. Invacare cannot and does not recommend any wheelchair transportation systems.
