S700

ADVANCED LED LIGHTING

Powerful all-around directional LED lighting is designed for long-term performance.

Technology with style on the Fortress S-Series.

INNOVATION IN DESIGN

With advanced LED lighting technology, the S-Series scooters are much more energy efficient than using standard bulbs, meaning more power and range on every trip.

Safety as standard, S-Series models all feature high visibility rear LED indicators, position and brake lights.

→ **Safety as standard**

Strong front and rear bumpers on all S-Series models.

→ **Innovative active anti-tip wheels**

Moves up as you ride over obstacles and keeps you safe on slopes.

CONTROLS DESIGNED FOR YOU

Finding your perfect driving position is a breeze with the infinitely adjustable tiller. Clever design means the headlight automatically tilts as the tiller is adjusted.

Water-resistant soft touch controls feature easy to use speed adjustment, an LED battery gauge, and a powerful horn.

Unique wig-wag design means natural driving using finger or thumb control. The large ergonomically designed delta handlebar makes every journey a comfortable one.

Large wire basket standard on all S425 and S700 models.

Safety and style as standard, every S-Series scooter comes with two carbon effect mirrors.

COMFORT ON EVERY TRIP

The S-Series advanced seating solution takes comfort to the highest level, from the seat height, depth and recline adjustments, to the flip-up, width, angle and depth adjustable comfort armrests – every feature has been designed for comfort – for you.

→ Infinite seat depth adjustment

→ Quick backrest angle adjustment

→ Seat rotation enables comfortable transfers

S425

COMPACT OUTDOOR SCOOTER

The luxury S425 has all of the features you want plus great power!

Taking the front/rear LED lights, comfortable all-round suspension, superior legroom, and combining it with a maximum speed of 12 km/h (7.5 mph), the S425 is suitable for indoor and outdoor use.

The increased wheel height will help to tackle those outdoor obstacles, and longer journeys can be handled with ease as the larger 55Ah batteries help to power your way.

**Baskets shown in all lifestyle pictures are smaller than what is included in the final product.*

Max forward speed: 12 km/h (7.5 mph)

Colour: Choice of Urban Grey or Red

Batteries: 55Ah (Group 22NF)

Wheel size: 30 cm / 12"

Maximum user weight:
150 kg (330 lbs)

S700

PERFORMANCE OUTDOOR SCOOTERS

The luxury S700, with superior outdoor performance is your perfect companion for the ultimate outdoor adventures, to take you where you want to go.

There's no need to worry about distance either as the large 75Ah battery size will power an extended range and a lively top speed of 15 km/h (9.3 mph).

The high performance design means gradients and higher curbs are tackled with ease every time.

The large tires, generous legroom and advanced 4-wheel suspension provides a smooth, rewarding and comfortable drive each and every time.

**Baskets shown in all lifestyle pictures are smaller than what is included in the final product.*

Max forward speed: 15 km/h (9.3 mph)

Colour: Urban Grey

Batteries: 75Ah (Group 24)

Wheel size: 33 cm / 13"

Maximum user weight:
160 kg (350 lbs)
