Pride offers a variety of lifts to **transport your mobility product with ease**. To find a compatible lift for your vehicle and mobility product, use our new Lift Finder application at pridemobility.com/lift-finder/

¹ Varies with user weight, terrain type, battery amp-hour (AH), battery charge, battery condition tire type and condition. These specifications can be subject to a variance of +10%, -5%.

² Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of (+ or -) 3%.

³ AGM or Gel-Cell type required.

⁴ Tested in accordance with ANSI/RESNA, WC Vol 2, Section 4 & ISO 7176-4 standards. Results derived from theoretical calculation based on battery specifications and drive system performance. Test conducted at maximum weight capacity.

⁵ Battery weight may vary based on manufacturer.

⁶ Dimensions listed are for power base only. Overall measurements will vary based on seating and accessory selections.

NOTE: This product conforms to all applicable ANSI/RESNA and ISO 7176 series standards. All specifications subject to change without notice.
