

## Take-Apart

The Take-Apart frame allows attendants to take the Fuze apart in seconds without tools. This feature reduces the weight of the heaviest piece of the wheelchair to 29 lbs or less. Perfect for transporting it in the trunk of a car or SUV. Available on Fuze™ T50, Fuze T50n and Fuze JR.

## Seating and Positioning

Permobil provides a wide range of seating and positioning products to address the unique needs of individuals using PDG wheelchairs.

Comfort and ROHO® offer a variety of cushions, back supports and accessories that are designed for pressure redistribution, stability, and comfort that can be tailored to meet the individual needs of users.

Our innovative chair designs deliver an enhanced quality of life for both users and caregivers. Long product life, adjustability, and durability create value for all stakeholders, and our expertise in positioning wheelchairs ensures an excellent fit every time, no matter how basic or complex.

PDG Mobility™
